> *"Biased, one sided, talks in circles, doesn't keep his word, assists when not asked nor warranted, over talks pro-se parties, asks way too much about opinions from ignorant attorneys, and let's them walk all over him making him appear WEAK. Fails to actually HEAR what people are saying, only listens to what he feels is relevant. Hang up the robe man, you're done!"*

> *"After I voluntarily accepted the temp protection order, he said 50/50 would come back after criminal case was resolved. (There should have never been a criminal case to begin with)"* ADA COUNTY, 4TH DISTRICT

> *"Modified my custody based on false accusations, and continues to allow my Ex Wife to bully me waste my money and hurt our daughter."*

Create Complaint Packet: https://my.standwithmeg.com/reports/actors/id-ransom-bailey/complaint-packet
Family-reported pattern context only. Each person must file only their own truthful, first-hand complaint using their own facts, dates, evidence, orders, transcripts, and documents.

Public threshold rule: Names are grouped conservatively by normalized spelling, role, and location. Common titles, punctuation, casing, and middle initials collapse together. Close misspellings are not auto-merged without admin review. Only family-direct submissions count toward the public threshold.

THE HEADLINE NUMBERS

IDAHO AT A GLANCE.

Across 48 Idaho families reporting through the Family Rights Registry, the patterns are consistent: long durations in court, serious financial loss, and a disproportionate number of parents going unrepresented because they ran out of money fighting.

WHY THIS REPORT EXISTS.

On January 29, 2024, I lost custody of all five of my children.

- NO TRIAL.
- NO QUESTIONING.
- NO SUBSTANTIATED ABUSE.

It took only a signature on an ex parte emergency order to erase a mother. I refused to disappear. I fought back, and built the Family Rights Registry so Idaho families — and families across every represented location — would stop being invisible to the data. This report is their record.

03 THE COST OF IDAHO FAMILY COURT

Legal fees are the largest reported expense, but they are not the only one. Lost wages, evaluation costs, and reunification services compound the financial loss — pushing most families toward pro se representation once their savings run out.

EXPENSE CATEGORY	RESPONSES	MEDIAN	MEAN	TOTAL REPORTED
Attorney Fees	36	$25,000	$48,192	$1,734,900
Lost Wages	31	$15,000	$65,516	$2,031,000
Other Court Fees	25	$5,000	$23,736	$593,409
Therapy / Evaluations	26	$5,000	$11,662	$303,200
Reunification Services	14	$1,000	$2,132	$29,850
GAL Fees	20	$2,500	$9,712	$194,250
Asset Loss [1]	22	$65,000	—	—
Median Family Burden (31 families reporting 3+ categories)	—	**$200,000**	—	—

Median vs. mean: Median is the middle reported amount, so it better reflects the typical reporting family when a few very large expenses appear. Mean is the average across reporting families and can be pulled higher by outliers. **Median Family Burden** is the median of total reported expenses across families who reported costs in 3 or more expense categories with a combined total of at least $1,000 — a true median of real family totals, restricted to families who filled out enough of the financial section to characterize their case and excluding obvious data-entry artifacts.

1. On asset loss: One respondent reported an extreme outlier that skews the mean beyond usefulness. We report the median ($65,000) and suppress the mean and total, pending data-quality review. Lost Wages also contains wide variance; median is the honest headline.

07 HOW TO READ THIS REPORT

WHAT THIS IS

The Family Rights Registry is a public, parent-reported data collection run by Stand With Meg. Every figure in this Idaho report comes from Idaho respondents who voluntarily submitted survey entries about their experience inside family court and/or CPS.

This report is built to help families, advocates, reporters, and legislators see the patterns emerging in Idaho — not to replace formal research, and not to name individual judges or counties as responsible parties.

WHAT IT ISN'T

This is not a representative sample. Respondents self-select. The 48 Idaho families reporting here are not the universe of Idaho families in court — they are the families who found the survey, trusted it enough to submit, and told us what happened to them.

Financial figures are self-reported. Response counts and percentages use the number of families who answered that specific topic or financial field. The Median Family Burden headline is the median of total reported expenses across families who reported in three or more expense categories. Quotes are minimally edited.

METHODOLOGY · FAMILY RIGHTS REGISTRY

Data in this report was collected April 2024 – November 2026 through standwithmeg.com/family-rights-survey. Submissions are timestamped. Duplicate-submission heuristics use normalized email + location, with direct survey rows preferred over legacy rows and the newest row retained within each source. Categorical responses from multi-select and short-answer fields are normalized monthly.

Dollar fields exclude blank, negative, and obvious data-entry artifact values above the report's field caps. When asset-loss values contain a strong statistical outlier, the asset-loss mean and total are suppressed and only the median is reported. Lost-wage, attorney-fee, and asset-loss entries are self-reported and not corroborated against tax records or court filings.

Geographic reporting uses the county or regional field as submitted, with light normalization (e.g. "Butte silverbow" → "Butte–Silver Bow"). Quotes carry one of three public permission states: *Anonymous*, *First-name only*, or *Full attribution with consent to public use*. Court actor names appear only after 3 independent families name the same actor.
